PORTLAND

VILLAGE PLAN No. 1

• Scale 200 Feet to One Inch

Wooden Buildings marked thus 
Stone and Brick Buildings " 

A historical map showing a coastal area. At the top, a wavy line represents a river or inlet. Below it, a dashed oval is labeled "Gilbert's Island". A diagonal line, possibly a railway or road, runs from the bottom left towards the right. Below this line is a thick, wavy line representing a beach or shoreline, with the letters "R", "S", and "H" spaced out along it. At the bottom left, there is a small square icon labeled "Agricultural Ground". To its right, a diagonal line is labeled "CONOR'S ROPE WALK". Further right, a vertical line is labeled "SHORT ST." and "A.P.A." with a small building icon at the bottom. The map uses various line styles (solid, dashed, wavy) to represent different geographical features.
